

D'Addario

“Old school craftsmanship and innovative technology can co-exist. EXP's are a great example of that.”

DAVID JACOBS-STRAIN

GUITARIST & STORYTELLER

**DAVID JACOBS-STRAIN**

EUGENE, OR

As a modern troubadour, David Jacobs-Strain's EXP Coated Strings are no stranger to the rigorous music circuit. D'Addario's groundbreaking micro-coating technology delivers unmatched durability, a natural feel and the pure tone of uncoated strings, allowing David to perform his dynamic rhythms, haunting slide work, and dexterous fingerstyle passages without any compromises, gig after gig.
